

Regional School Research Committee

**November 11, 2014
Selectmen's Office
Newton Memorial Town Hall**

MEETING AGENDA

6:00 P.M.

- I. Call to Order
- II. Public Comment
- III. Committee to research on organizational options for public schools financially supported by the Town of Lanesborough.
- IV. Committee to research status quo—Continue current two-town, three-school-committee arrangement with Williamstown and Mount Greylock, our high/middle school, sharing superintendent and other central services with the two independent elementary schools.
- V. Committee to research School Union/District change—Keep Mt. Greylock high/middle school status quo but shift Lanesborough Elementary out of the School Union/District with Williamstown Elementary and into a different School Union/District or region.
- VI. Committee to research Mt. Greylock “region” expansion — Merge the two elementary schools and the high/middle school under a single School Committee.
- VII. Committee to research Change affiliations—Shift out of Mt. Greylock region and out of elementary School Union/District with Williamstown, go into Central Berkshire (possibly bringing Williamstown and Mt. Greylock along).
- VIII. Committee to research other options the committee may develop.
- IX. The Committee will work on a report to the Selectmen with a draft presentation of the options reviewed, including a brief description, the pros and cons and an outline of the process needed for implementation. The report will not advocate for one option or another, merely illuminate and explain the possible choices
- X. Adjournment
